

**GlycoNZ**  
Glycoconjugates for Glycobiology

5 January 2025

To whom it may concern,

GlycoNZ products are intended for end-user research use. If a customer wishes to purchase GlycoNZ products through a local entity, such as Helen Wang and co-workers and their company, Beijing Biolead International Trading Limited, they are able to do so in keeping their normal means of ordering and distribution.

This authorization is valid until the 31st of December 2026.

Kind regards
